Dear Ms. van Broekhoven, dear Ms. Guinane,

Thank you for your letter dated 15 January 2016 and for your positive engagement with the FATF, including through the public consultation on the revision of the interpretative note to Recommendation 8, and the upcoming meeting with the NPO sector in the margins of the FATF Private Sector Consultative Forum later this year.

I look forward to continuing our mutually constructive engagement.

Yours sincerely,

Mr. Je-Yoon Shin
President of the FATF
